

**POSITION DESCRIPTION
2020 GIRLS INSTRUCTOR**

Job Summary

2020 Girls is seeking enthusiastic young women to mentor local 4th-12th grade girls in science, technology, engineering, and math content (STEM). 2020 Girls instructors will work to empower young girls in STEM content through Lego Robotics, Game Design, Mobile App Design, and Scratch.

This is a part-time, paid position, requiring availability during after-school hours. Instructors are expected to develop mentoring relationships over the course of the school year, have an enthusiasm for using technology in learning, and have a willingness to acquire new skills.

Requirements:

Successful 2020 Girls Instructors will have:

- Proven experience working with children, especially in an educational setting.
- Desire to mentor youth.
- Enthusiasm for working with technology.
- Positive attitude and willingness to work as part of a team.
- Availability between 3:30pm – 5:30pm at least twice per week.

To apply, send a resume and cover letter to jobs@iteclansing.org.
